The licensee must specify the hours of operation. These requests are considered on an individual basis and may not include activities for which a dance, entertainment or topless activity permit is required.</p> <p>Local law enforcement investigation and approval is required.</p>	\$70 Inspection fee

OBTAINING SPECIAL ACTIVITY PERMITS

Special activity permits may be obtained:

- at any time by the existing licensees
- at the time of transfer of ownership or location of an existing license or at the time of application for a new license. The request should be a part of the application. **Failure to request the special activity permit before investigation can significantly delay the time needed to obtain the license and the special activity permit.**

DESCRIPTION OF THE PROCESS
